The are your Final League Standings!

Checks have been mailed to the bar for distribution. One check is issued per team. The check is made payable to the team captain who is listed on your roster sign up sheet.

I apologize for the tardiness in getting the checks out in the mail to you. The schedule in the league office showed matches outstanding. I just found out this week that the league had been discontinued prior to the end of the league season. The schedule was re-ran when the team dropped from the league, to make it fair to all teams concerned so that everyone plays each other an equal number of matches. When a partial schedule is played, it does not give a fair opportunity to all the teams involved in the league, which is why our league office scheduled a 10 week league season.
